*Division Administrator*.

WASHINGTON, D. C.,  
*April 29, 1935.*

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: Under the Code of Fair Competition for the Farm Equipment Industry as approved October 3, 1933, the Code Authority for said Industry has submitted an amendment to said Code, which, if approved, would extend the expiration date from May 1, 1935, to June 16, 1935. The Amendment extending the expiration date to June 16, 1935, is embodied in the Order.

An Opportunity to be Heard was duly noticed and no objections were received from the Industry or from interested parties associated with the Industry.

### FINDINGS

The Deputy Administrator in his final report on said Amendment to said Code having found as herein set forth and on the basis of all proceedings in this matter,

It is found that:

(a) The Amendment to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act, including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Farm Equipment Institute was and is an Industrial Association truly representative of the aforesaid Industry and that said Farm Equipment Institute imposed and imposes no inequitable restrictions on admission to membership therein and has applied for this Amendment through the Code Authority of the aforesaid Industry.

(d) The Amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The Amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said Amendment.

For these reasons, therefore, this Amendment has been approved.  
For the National Industrial Recovery Board:

W. A. HARRIMAN,  
*Administrative Officer.*
